

Dear Parent/Guardian:

Children need healthy meals to learn. Glenwood CSD offers healthy meals every school day.

Breakfast costs \$1.30 and lunch \$2.00. Your children may qualify for free meals or for reduced price meals.

Reduced price is \$.30 for breakfast and \$.40 for lunch.

1 **Do I need to fill out an application for each child?** No. Complete the Iowa Eligibility Application for your household with all children (except foster children) listed. We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to Kid's Place.

2 **Is a foster child considered a household of one?** Yes. A foster child is considered a household of one and is not to be included in the foster parents' household application. Each foster child needs its own application.

3 **Who can get free meals?** Children in households getting Food Assistance or FIP and most foster children can get free meals regardless of household income. Also, your children can get free meals if your household income is within the free limits on the Federal Income Guidelines.

4 **Who can get free milk?** If your school participates in the Special Milk Program for half day kindergarteners, your kindergarten child may be eligible for free milk. Children who buy extra milk with a meal or if they have an afternoon milk break are not eligible to receive free milk.

5 **Can homeless, runaway and migrant children get free meals?** Yes. Please call Kid's Place to see if your child(ren) qualify, if you have not been informed that they will get free meals.

6 **Who can get reduced price meals?** Your child(ren) can get low cost meals if your household income is within the reduced price limits on the Federal Income Chart on the back of this page.

7 **I currently receive Food Assistance or Family Investment Program (FIP) benefits; do I need to fill out an application?** Perhaps. School enrollment records have been compared to records from the Department of Human Services to identify children who are members of households receiving Food Assistance or FIP benefits. If your child(ren) are identified during this process they will be directly certified as eligible to receive free meal benefits and you will be notified of their eligibility by the school. Parents need to do nothing more for their children to receive free meal benefits.

Some eligible children may not be identified in this process. Households with children who were not identified should receive a letter of direct certification from DHS. Children on these letters will receive free meal benefits only if parents provide the letter to the school. Instructions to parents are included on the letter.

If you receive notice that only *SOME* of your children are eligible because of direct certification, contact the school. You may need to complete an application for the children who were not identified.

8 **What if my income is not always the same?** List the amount that you normally get. (For example - if you normally get \$1000 each month, but you missed some work last month and only got \$900, put down that you get \$1000 per month). If you normally get overtime, include it, but do not include overtime if you get it only sometimes.

9 **Will the information I give be checked?** Yes. We may ask you to send written proof. You are not required to provide proof with your application.

10 **If I don't qualify now, may I apply later?** Yes. You may apply at any time during the school year if your household size goes up, income goes down, or if you start getting Food Assistance (FIP) or other benefits. If you lose your job, your children may be able to get free or reduced price meals.

11 **What if I disagree with the school's decision about my application?** You should talk to school officials. You also may ask for a hearing.

12 **May I apply if someone in my household is not a U.S. citizen?** Yes. You or your child(ren) do not have to be a U.S. citizen to qualify for free or reduced price meals.

13 **Who should I include as members of my household?** You must include all people living in your household, related or not (such as grandparents, other relatives, or friends) that share income and expenses. You must include yourself and all children who live with you.

14 **I get WIC. Can my child(ren) get free meals?** Children in households participating in WIC may be eligible for free/reduced price meals. Please fill out an application.

15 **We are in the military - do we include our housing allowance as income?** If your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. All other allowances must be included in your gross income. There are currently no active Military Housing Projects in Iowa. For a listing of the Military Housing Projects by state visit the following web site: <http://www.acq.osd.mil/housing/mhpi.htm>

16 **What other benefits might I be eligible for?** Your child may be eligible for other benefits including Hawk-I (children's health insurance) or for a waiver of school fees. Read the information on the back of the Iowa Eligibility Application for Hawk-I information. A school fee waiver form is available from your school.

17 **Can children with disabilities get food substitutions?** If a child has a disability, as determined by a licensed physician, and the disability prevents the child from eating the regular school meal, the school will make substitutions prescribed by the licensed physician. If a substitution is needed, there will be no extra charge for the meal. Please note, however, that the school is not required to make a substitution for a food allergy, unless it meets the definition of disability. Please call the school for further information.
